Re: *Petition of Cellco Partnership d/b/a Verizon Wireless for Arbitration Under
the Telecommunications Act of 1996*
Consolidated Docket No. 03-00585

Dear Mr. Ramsey

Enclosed please find documents responsive to the subpoena issued on May 4 in this docket. I have not heard from you since leaving a voice mail message inquiring about the treatment of these documents consistent with any Protective Order issued in the arbitration. Consistent with the Authority's practice in other dockets, however, it is my understanding that these documents will be treated as encompassed by the Protective Order in the docket. A substantial portion of the documents being provided are proprietary and have been so marked. Because BellSouth is not a party in this docket, BellSouth has chosen not to expend the resources to Bates label each page being produced. Based on BellSouth's count, approximately 2,680 pages of documents are being forwarded to you with this letter.

In addition to the documents we are providing today, BellSouth has also identified numerous documents, which are voluminous in nature, that are on file with the TRA and therefore publicly available. Rather than providing copies of all such documents, BellSouth is providing, attached to this letter, a list of such documents on file with the TRA. Please let us know if you have trouble obtaining copies of these documents, and we will be happy to assist you.

Likewise, one of the requests seeks copies of all agreements setting forth terms and conditions between BellSouth and the Rural Independents for termination of traffic. As has been discussed in this docket and in the Rural USF docket, the agreements referenced are called the "Primary Carrier Plans". BellSouth has executed a Primary

Carrier Plan with each member of the Coalition. BellSouth expects accordingly that each member of the Coalition already possesses a complete copy of the Primary Carrier Plan executed by the Coalition member. Given the voluminous nature of this request (each such contract is 44 pages in length), BellSouth is providing a list, attached to this letter, of each party with whom BellSouth has executed such an agreement in Tennessee. Again, if you have trouble obtaining copies of all such documents from your clients, please contact me and we will make arrangements for you to copy BellSouth's originals.

Cordially,
